

Opening Guidelines as of June 27, 2020

In order to keep our employees and customers safe and healthy, we will implement the following guidelines recommended by the CDC and the State of Connecticut.

We are offering limited wine tastings at this time. Eight or more guests must reserve through our online form. We are at 50% of capacity allowed inside, so a limited number of customers are allowed to enter for wine tastings and must safely wait their turn.

The Tasting Room is open for wine purchases, by the bottle and glass for outside consumption as well as snacks. There will not be any indoor seating or inside gatherings.

Food trucks are scheduled for Saturdays and Sundays each weekend as well as when we have a public ticketed event.

Our patios and grounds will be open to enjoy our wines by the glass or bottle. Outdoor seating on our patio and lawn will be reduced by 50%. Seating is first-come, first-served. We suggest that lawn chairs and blankets be brought in case our capacity is reached.
